Plenty Of Action At Minden Carnival Over Weekend

The 13th Annual Winter Carnival is over for another year, but it must be written that it was one of the most successful Carnivals in the history of the winter caper.

The week before Carnival time it seemed like an impossible task to have facilities in the new Community Centre ready, but through tireless efforts from a great number of people the arena had good ice and was in tidy shape for the event.

Next year the Recreation Centre will be completed and will make the efforts by Committee members much easier, and facilities better for the public.

The results of the Carnival are as follows: Stedmans won first prize for their float in the parade with the Haliburton Highlands Secondary School Cheerleaders placing second and the Kawartha Lynettes winning third. Honourable mention was given to the Minden Boy Scout Troop.

Bob Vick can be thanked for supplying his horses and wagon for the Queen and her princesses. The Queen of the Carnival was Sharron Hughes, her princesses Isobel Anderson and Carolyn Fleming.

In Curling for the Hiram Walker Trophy Helen and Watson Yakes of Minden teamed up with Earl and Marilyn Yakes of Uxbridge to win the weekend bonspiel. In second place Roy

CARNIVAL CAPERS

The Indian Snake Game was enjoyed by two hundred persons at the Minden Winter Carnival. Mr. Bob Barclay of Carnarvon was awarded a pair of deer skin mitts for his throw of 116 feet. Runner-up was Mr. Jim Hatkoski of Minden. Sheri Gostlin won over Jean Dube on the final toss of the day to win the ladies gift of a pair of fur trimmed deer skin gloves. Both these awards were handcrafted locally by Mrs. Yvonne Kirkland. This event was sponsored by the first Minden Boy Scout Troop and several scouts headed by Scouts Neil Walker and Colin Hewitt worked at the event.

Trudeau and his rink, third was Bob Colliver and his rink.

In Broomball action the Minden Detachment of the Ontario Provincial Police defeated Port Parrie in the final game to win the tournament.

Many good scores were handed in on the bowling tournament, Joan Stamp had ladies high triple with 720 and men's high triple was Ron Robinson Jr. 956.

In the log sawing contest John Cooper, Tim Hughes and Bruce Vaillancourt finished in that order.

The ice sculpture contest was won by Scott Arbuthnot, second Robert Wilson and third Shelly Hicks.

Andy Dube with his four and a half pound Lake Trout captured the ice fishing contest, while his father Tom tied Phil Sawyer for second place.

Three girls captured prizes in the parade, Lisa Congdon for best child costume and Cathy Campbell and Ann Campbell best student costume.

Mrs. Laura Boileau was the lucky winner of the Ski-Doo and trailer draw held Saturday.

HONOURED AT ANNIVERSARY

Mr. and Mrs. Bruce Gould were honoured at an evening reception, held at Halimar Resort, in the latter part of December. A large number of their friends gathered to congratulate them on the occasion of their 50th year in the tourist industry, and to wish them health and in the future.

On behalf of the Lake Kashagawigamog Tourist Association, its president Art Ward presented Mr. and Mrs. Gould with an inscribed silver tray commemorating their anniversary, and honouring them for the excellent contribution they have made to the tourist industry of this county.

THURSDAY SMILE

Then there was the fellow who gave up smoking for his health and took up chewing toothpicks instead. Now he's got Dutch Elm disease.

CARNIVAL WEEKEND AT HYLAND CREST

The Hylander stood to greet our benefactor Dave Stamp who so generously remembers the "Old Folks", as at 12:30 the bus arrived and he and Mrs. Stamp assisted the local staff in helping the 25 residents into comfortable seats to attend the Carnival and especially view the Parade. We parked north of the bridge seeing the Parade as it turned the corner and entered the old arena, in fact we had another good view as it returned passing our bus enroute to "the new arena site". Mr. Stamp then suggested we follow and have a drive around the fair grounds before returning "Home". This proved most enjoyable seeing the helicopter taking off with sight-seers, the crowds entering the skating rink and other activities and most important our first view of our new Community Centre and skating rink. The walls indicate its importance. We also noted the comfortable new suburban area being built up each side of the Historical Bobcaygeon Road remembering that in pioneer days the east land was formed by James Stevenson, whose aged widow is a Resident of the Home, while on the west the main property was settled by S. S. Peck, M.P.P. whose pioneer home, in fact that also of James Stevenson, still is occupied. These homes add to "McKayville" and are now a goodly suburban residential part of Minden.

On our return, Reg Welch escorted the Brampton Clown Band which entertained for an hour followed by the local pipers looking so smart in our Highland Tartan kilts. This was a special especially to the Scotch Residents who have for so many years held memories of delight of the pipers.

Thus we extend gratitude to the management in our locality. To our Residents the Parade was a delight—many new ideas being shown—cheers for the school children and the excellent work exhibited.

Mrs. Jane Fairfield

MINDEN O.P.P. CAPTURE BROOMBALL TOURNAMENT

The third annual Minden Winter Carnival Broomball Tournament was held on Saturday and a Minden team finally captured the Molson award as the tournament winner.

The Minden OPP detachment this year's winner. Coming into the tournament as long shots to even get by the first round, they played steady ball and capitalized on the other teams mistakes.

In the first game on Friday evening the OPP met the Horse-shoe Lakers. With two minutes left in the game, Brian Ladurantaye centered a pass to Wim McGee who easily lifted the ball over the sprawling Laker goalie to tie the game at 1-1. With just two seconds left in the game Brian broke in alone on the Laker goalie and made no mistake in jamming the ball into the top corner to give the boys in blue their first victory.

Then on Saturday morning in the semi-finals, the OPP played the defending champions from Beaverton to a standstill. When the shoot-off was all over Tom Boice had given them a 1-0 victory putting them into the finals against Port Perry, a new entry in the tournament this year.

Perry had entered the final by defeating the Minden Hylanders 4-0.

At the 5:35 mark of the game R. Collins drove the ball past a sprawling Bob Woods in the OPP net to give Perry a 1-0 lead. This lead stood up until the fifteen minute mark of the final half, when Bill Devereaux evened the score after a scramble in front of the Perry net. Regulation time ended 1-1 calling for another shoot-off. Brian Ladurantaye and Wim McGee each scored for the OPP to give championship. Port Perry picked up the second prize of ten dollars.

The tournament was a great success this year and a lot of the credit has to go to the new Champions for supplying such great entertainment to the fans and superb competition to the teams they played. It just goes to show that the favorite team doesn't always win the marbles.

ANNOUNCEMENT

Mr. Rouble will explain the courses and curriculum to the present grade eight students and their parents at 7:30 on February 5 in Haliburton Highlands Secondary School.

MOUNTAIN LAKE HOME OR COTTAGE

Modern year round dwelling with 2 bedrooms, kitchen - dining room, large living room with fireplace, 4 pc. bath, full walk-out basement, finished rec-room, space for 3rd bedroom. 100 ft. lake front lot, Southern exposure. \$29,500. Terms.

One 65 acre parcel with large barn and shed 1/2 mile road frontage. \$12,500.

98 partly wooded acres. \$10,000.

THE MAIDENS' VIEWPOINT !

by
Norm Maidens

The Annual Winter Carnival is over for another year and, despite poor weather conditions it was a very successful one.

Two things came out of the Carnival that have been brought to my attention. The first concerns our local detachment of the O.P.P. Policing a Fair or Carnival is a tough assignment under the best of conditions. Everyone is a guest of the community and, drunk or sober he figures he is to be accorded special privileges as he is spending his money here. Our local detachment should receive the highest possible praise for the way they conducted themselves in keeping order in a convivial group of visitors, (and locals) as well. It's quite a skill to handle a loud-mouthed drunk, male or female and still hold onto your cool — our fellows deserve every bit of credit for the way they handled themselves — they were a credit to the community.

The second thing doesn't only apply to our Winter Carnival, it applies to every Fair and function whatever. It's about the price of chips, hot dogs, etc., etc., that are foisted on the public. I agree these concessions have to make money but, I feel there should be two prices, one for the adults and one for little kids. Soaking a little kid 35c for a lousy little carton of potato chips don't sit too well with me. 20 to 25 cents for a bottle of pop — come now, somewhere along the line the little kids should get a break. I realize the day of 10c coffee, 15 cent hot dog and the 5 cent cigar has gone the way of the Dodo, but, I still think the little kids should get some kind of a break to say nothing of the Fathers and Grandparents. This, of course is only my viewpoint, so, don't bother getting into a hassle about it — it can be done, and, nothing will convince me otherwise.

Had lunch at Vanzey's restaurant over the weekend and, very good it was—the new owners are keeping up the standard set for them by "Willie and Jerry".

The new owners, Mrs. Betty Bowskill and three sons, Stephen, Paul and Terry are no strangers to Haliburton County, they have been in Haliburton for some 20 years. For the past nine years they operated Mister Frostee in the Village of Haliburton. Two of her sons are in University and one in High School. Mrs. Bowskill has quite a bit of experience in her chosen field but left the "rat race" in Toronto for a little bit of "the good life". However don't just take my word for it — try it yourself. If I'm not mistaken, by the look of the pastries and butter tarts my good friend, Mrs. Elmer Sawyer is working behind the scenes.

I've had more than enough experience with hospitals and their staffs to qualify for the next item. Recently I had to take a patient to the new hospital at Haliburton to have Dr. Harry Good take off and reapply a leg cast. Now, they don't come any better than Dr. Harry in my books, too bad I can't say the same for the "English Music Hall" type nurse who welcomed us. The Haliburton hospital is a beautiful spot but, with public relations like this it becomes nothing. I haven't the space to fully describe my reaction to her veiled sarcasm and lack of feeling — someday she may need a little of what she isn't capable of — let's hope she doesn't meet a personality like hers.

Drive carefully, or, if you must end up in a hospital, try the Minden Red Cross — at least they are human and understanding down here. See you next week.

REPORT FROM PARLIAMENT By Wm. C. Scott, M.P.

The minority Liberal Government has tabled a Bill in the House of Commons calling for extension on the ban on capital punishment for another five-year period. Debate on the Bill will probably commence soon after the House has finished debating the Speech from the Throne, and it is expected that all parties will free their members to debate on a personal rather than on a partisan basis.

There is little doubt that the question of capital punishment is the most contentious and the most emotional topic that has ever been debated in the House of Commons. Whether the government elects to retain capital punishment or abolish it completely, the final decision cannot help but result in deep shock and dismay in a large segment of our population.

It will not be easy for the average Member of Parliament to sort out the volumes of statistical data, editorial comments and representations from concerned and partisan agencies concerning the pros and cons of legal executions. Every group that has entered the controversy, whether for or against feels that its own position on the question is unassailable, and provides impressive documentation to prove its position.

Police associations, court officials and many government agencies and legislators insist that the deterrent value of capital punishment justifies legal executions as an instrument of justice. They point out, using statistics, that in the five-year trial period of the ban on capital punishment, murders and crimes of violence have increased at a greater rate than in any five-year period before the ban was imposed on a trial basis. They point out that life imprisonment as an alternative really means a prison term of eight or ten years.

Those who would retain capital punishment argue that if life imprisonment is substituted for capital punishment then it should mean just that. They say that a convicted murderer should spend the entire remaining years of his or her life behind bars.

The abolitionists, those who maintain that legal executions are as barbarous and heinous as the crimes committed that presently call for the death penalty, provide documentation every bit as impressive as that presented by the retentionists. A large percentage of the abolitionists arguments are from religious or religion - oriented groups and they tend to base their cases on the sanctity of

human life, and the fact that the threat of execution, has been no one has the right to take a deleted from their arsenals. In all of this, one thing is certain. Every Member of Parliament must soon come to grips with the question. He must sort out the reams of material available on the subject and render a decision that best satisfies his own conscience, and that of the greatest number of his fellow citizens. It is not going to be easy.

It is difficult to quarrel with either approach, retentionists or abolitionist. On the one hand our police and courts feel that they are being hampered in their task of protecting the life and property of law-abiding citizens. They argue convincingly, that one of their most effective tools,

Dear Constituent:

Would you please fill in the appropriate space in this coupon and return it to me at my Ottawa office. No postage stamp will be required. Mail to: William C. Scott, M.P., Room 512 CB, House of Commons, Ottawa, Ontario.

Do you favour the present law on capital punishment, wherein only convicted murderers of policemen and prison guards are given the death penalty?.....

Are you in favour of abolishing the death penalty altogether?

Are you in favour of the death penalty for all crimes of murder?

If life imprisonment is imposed in place of the death penalty for convicted murderers, do you believe that it should be for life, with no provision for parole after a few years have been served?.....

IT PAYS TO ADVERTISE IN THE PAGES
OF THE MINDEN PROGRESS

Convinced that religion should be the deepest sense-making foundation of all human thought and action, St. Paul's Anglican Church has planned a full week focusing on the meaning of true religion for a Christian of the 20th century. Is the Church really the life-giving centre of the community? Is it really a people development centre, where people are constantly challenged to reach beyond their grasp and grow spiritually? Is the Church really a changed community offering alternatives to worldly philosophy? Does the Gospel relate to the goals of individuals and families living in our community? Is the Church providing a means of reconciliation and restoration in the lives of those who become involved in it? The fact that few people would answer an unqualified YES to these questions gives some of the reasons for BREAKTHROUGH WEEK — a careful and intensive look at the Church and the Christian life which aims at renewal. You are invited to join in the daily events of BREAKTHROUGH WEEK.

Breakthrough Week at St. Paul's February 18th - February 25th

Throughout the week of February 18 - 25, The Reverend Kenneth Patterson will be at St. Paul's Rectory in Minden, together with Sister Juliana, CSC. Fr. Patterson is Rector of the Anglican Church of St. James' Merriton, and Dean of the Niagara Leadership Conference in the Diocese of Niagara. Sister Juliana is a member of St. Michael's Convent, Community of the Sisters of the Church. An accomplished guitarist, she is well known across Canada for conducting children's missions, and recently for her work with ex-convicts, whom she refers to as "my boy friends". Fr. Patterson and Sister Juliana will attend house meetings throughout the area during the day, meet with student groups, service clubs and parish organizations and conduct special events at the church each evening through the week.

A BIG THANK YOU

Now that the Winter Carnival is over, and this fair town settles back into a quiet way of life till spring, we have to look back on last weekend and say — what a success.

Not many people know or realize the work and planning that goes into a weekend of activity to comprise a winter carnival. We can tell you it is a big burden, and only a few carry the load.

This week we have to congratulate those who worked, entertained and took part in our Carnival. First we have to take our hat off to Ed Pettinger, Chairman of the Winter Carnival Committee—he personally took on a heavy load and carried the responsibility of the entire Carnival till it closed on Sunday evening. Thanks must also go to his committee who he depended on for many phases of the program. To this group of people we owe the success of the Carnival to, and for Minden, it was money in the till and great Public Relations.

Such an undertaking, with an arena only a fraction completed, it took many hands to round out the facilities and make the arena useable. Reeve Reg Booth and Clerk Richard Parisotto spent many hours on the job, making ice and final arrangements so the arena could be used. Contractor Norm Burling, arena manager Brian Sisson responded and gave a great effort so the Carnival Committee could have their program on ice. Earl Hewitt and his work crew from the Municipality took on many jobs and followed them through, making facilities available for parking etc. It was team-work from the word go.

Others who participated without charge to make the Carnival such a success were Rothmans of Paul Mall Canada Ltd. and O'Keefe Brewing Company, who supplied the sound and music throughout the weekend. Tom Sheridan of Hiram Walker and Sons Limited, who has always been a big supporter here, sponsoring the Hiram Walker Curling Bonspiel each year, came through once again and did a bang-up job.

And, did you see the guest figure skaters go through their solos, they were really something and added a tremendous amount of colour and entertainment to the Carnival. Wendy Anderson and Louise Laureaux of the Toronto Cricket and Curling Club of Toronto were two of the skaters while the third was Betsy McLean of North Bay. These girls came free of charge and did a splendid job.

Let us not forget our local O.P.P. Detachment, who were available all weekend, and kept problems on the road to a minimum. A word of thanks must also go to Doug Campbell, Area Manager of Ontario Hydro and his staff for their assistance. Adding much to the Carnival were the Massey-Ferguson Red Nites and the Dominion Helicopter service for their part in the program.

We could probably go on and on, and still miss someone who worked hand in hand with the Carnival Committee on this weekend — so to everyone who took part, a many thanks from the citizens of Minden for a job well done.

SYRUP PRODUCERS GET SOME ADVICE

BOBCAYGEON — The break in weather in the last few days has turned most maple syrup producer's thoughts to their trees.

Even though it is too early for the syrup to start to flow, many area producers took time out last Wednesday afternoon to attend the annual meeting here of the Haliburton District Maple Syrup Producers' Association.

W. A. Humphreys of the ministry of agriculture and food said that despite the fact that last year was a bad year for syrup, producers who used vacuum pumps on their trees did well.

He urged producers to consider buying and using a vacuum pump and tubing instead of the traditional tap-and-pail method.

Last year maple syrup sold for between \$9 and \$10 a gallon, he said. He stressed the importance of selling only good-tasting, properly graded maple syrup.

"The best way to lose customers is to sell them bad tasting syrup," Mr. Humphreys warned.

The meeting, which was attended by about 50 people, was held in the Bobcaygeon Arena.

The ministry of natural resources is anxious to help people keep their bush in good shape, said Mr. Humphreys. Officials will spend up to four days a year in any bush advising the owners how to improve the bush.

An improved bush, Mr. Humphreys said, will also mean an increase in production for syrup. Producers were told they could increase their revenue by providing tours of their facilities and by giving talks on the maple syrup process.

Mr. Humphreys said there are many schools that would like to bring some of their classes to a sugar bush and would pay a small fee for the privilege.

It was also suggested that producers could set up pancake houses where they could serve their own syrup.

It takes about 35 gallons of sap to produce one gallon of maple syrup. The syrup is gathered either by pail or by plastic tubes.

It is transported to evaporators where it is boiled until it starts to take the form of maple syrup. After that it is put in a finishing evaporator and then it is screened and tested before being put on the market.

Weather is a critical factor in the production of maple syrup. Ideal conditions occur when freezing nights are followed by warm sunny days. Unfavourable weather affects

SNOWMOBILE RALLY COMING UP

The Lake Kashagawigamog Tourist Association is at it again. It's time to look forward to the Second Annual Kashagawigamog Snowmobile Rally; to be held Feb. 18th at 1 p.m.

Do you remember last year's Rally?— where the contestants zig-zagged up and down the shores of Lake Kashagawigamog, hunting for the hidden check point, and zooming in to the cheerful bonfires where Check Point Charlies were waiting to tally their points? At the finish line there were plates of hot beans and mugs of hot chocolate to take the tingle out of fingers and toes. And prizes to warm the heart. Ken and Dorothy Wilson were the ones who captured the first prize and the snowmobile trophy last year. Who will take it away from them this year? Or will they be in there trying to retain their title for another year.

Already the Trails Committee is at work laying out the course which will be longer than last year, and will include new trails some through bush and overland. More hidden check points greater challenge to the contestants.

Fun Rally, speed will not necessarily get you points. It's the ability of the contestants to get from check point to check point in a time most closely in line with a predetermined limit set by the trail judges. There must be two people to a machine, so bring your buddy, your best girl or your mother-in-law, and come out for a big breath of fresh country air, fun, and prizes, on Lake Kashagawigamog. That's Feb. 18th, 1 p.m. Registration will begin at 12:30.

both the quality and quantity of maple syrup.

Maple syrup can be transformed into various other maple products such as maple butter, granulated maple sugar and soft and hard maple sugar.

Residents of Haliburton County:

A Counsellor from the Canada Manpower Centre in Peterborough will be available in the Dysart Municipal Office, Haliburton, on Tuesday, 13 February, 1973 from 10:00 a.m. to 12 noon. He is prepared to discuss any employment problems with persons experiencing difficulties in finding workers or finding work.

He is also prepared to discuss other Canada Manpower programs, including Training, Mobility Grants, and Training-on-the-Job

Broomball — 2 - 3 Sat.

GAME OF THE WEEK — with Cliff Burke

WELCH NETS HAT TRICK IN 3 - 3 TIE

John Welch scored three goals on Sunday evening in the New Community Centre, to give the Minden midgets a hard fought 3-3 tie with Kinmount.

The first period ended scoreless in this game but Kinmount took a 1-0 lead at 5:30 of the second. Kinmount went ahead 2-0 at 10:45 to end the second period.

John put Midgets back in the game at 3:15 on a pretty passing play by Doug Ray. Minden was short two at the time. Minden then tied the game 55 seconds later on a three-way passing play by Doug Ray to Kirk Hewitt to John Welch who slammed it home. Kinmount regained the lead at 12:25 but John stole the puck on a power play from a Kinmount defenceman at the blueline and broke in

alone at 16:50 to tie the game.

The midgets suffered a severe blow in the third period when Kirk Hewitt was slammed hard into the boards and broke his collar-bone. He'll be lost to the team for the remainder of the season.

The Minden midgets played two other games this past week, losing 7-4 to Kinmount and then clobbering Cobocok 8-4.

In the Coby game John Welch exploded for four big goals to lead the Minden attack. Doug Ray and Al Trepanier rounded out the scoring with two goals each. In Kinmount John Welch again led the midgets, this time with a pair while Al Trepanier and Lauri Swain added singles.

With the nine goals that John picked up this past week, he now leads the team with 20. John has also picked up 7 assists giving him a point total of 27 to Sundays game. Just a great season so far John, continued good luck.

LOCAL BOY PLAYS ON NORTH AMERICAN CHAMPIONSHIP TEAM

Corey Walker, 10-year-old son of Mr. and Mrs. Lionel Walker of Minden competed in the Silver Stick" North American Championship Hockey Tournament in Sarnia, Ontario and came away a winner.

Corey, now living in Collingwood plays Novice and competed in the five-day tournament from January 24 to 28, against teams from Ontario, Quebec and United States and won the Championship game against Le-vack 5-1 on Sunday.

Corey scored four goals and picked up seven assists in helping his team win the cup. On returning to Collingwood the citizens had a Civic Reception for the team and each member received many valuable gifts, including watches and rings.

Corey played his first four years in organized hockey here in Minden, and since moving to Collingwood has been a star performer. Congratulations.

SPORTS CORNER

with CLIFF BURKE

MINOR HOCKEY: In Juvenile hockey on Saturday evening in the New Minden Community Centre, the Minden Kings went down to a bitter 5 - 3 defeat at the hands of the Little Britain Jets. The game was chippy from start to finish with referees Aubrey Gostling and Gerry Burne handing out thirty penalties, including five majors, one misconduct and two game misconducts.

Wayne Harrison scored twice for the Kings, Doug Ray picked up the third goal.

In Minden bantam action last week Minden came up with a 5 - 4 decision over Fenelon Falls on Monday evening in Minden and were thoroughly trounced 17 - 2 on Friday evening in Haliburton. Peter McKenzie and Shayne McKelvey scored for Minden in the Haliburton contest. In the Fenelon game Kirk Coneybeare, Shayne McKelvey Scott Gartshore, Peter McKenzie and Perry Kimble were the Minden marksmen.

The Minden Peewees dropped three straight games this past week to bring their record after fourteen games to five wins, nine losses.

Fenelon Falls shellacked the Minden boys 10-3 last Wednesday in Fenelon. Brian Shaw scored all three goals in this game for Minden.

Then on Thursday evening in Bobcaygeon, they were edged 5-4 by the last place Caygeon team. Brian had a pair in this game with singles going to Tom Gouth and David Brown.

On Monday evening in Minden the Peewees again met Fenelon Falls, who by the way now have a 13-0-2 record, and lost a hard fought 4-3 game. This was by far the best effort the peewees have come up with against the league leaders, and with a little bit of luck could have had a tie. Garry Harrison led the Minden attack with two goals while Brian Shaw notched a single.

Th Minden Mites played two great games on Saturday downing Kinmount 4-0 in the morning and then coming home to play an exhibition game in the Community Centre against Wilberforce and coming up with an 8-1 victory.

Bret Porter got all four goals in the Kinmount contest then got three more against Wilberforce. Danny Grier also picked up the hat trick against Wilberforce while Greg Austin had a single goal and four assists.

In Peewee B action last week, Minden defeated Wilberforce 4-2. Al Northey got the hat trick with Stewart Russell getting a single to lead Minden to a first place tie in the standings with Kinmount.

In an exhibition hockey game last week, the Minden Kings doubled the count on Beagles Buds 8-4. Scoring for the Kings were Mike McElwain with four goals, John Welch two and singles to Bill Jackson and Doug Ray.

Scoring for the Beagles squad were, Neil (Beagle) Burk, Mike Jackson, Sterling Hewitt and Bruce Rockery.

BOWLING: In Major Men's Commercial Bowling last week Haliburton Highballers came up with a 7-0 whitewashing of last week's league leaders, the Rockcliffe Beer Nuts. Modern Electric took over first this week when they trounced Miles Roadrunners 7-0. In other action, Cox's Colts stopped Ingoldsby 4-3.

SHUFFLEBOARD: Winners of last week's Dominion Hotel Tournament were Doug Robinson and Lloyd Ack-erblade. The Rockcliffe Hotel winners were Cliff Duffy and Paul Warburton.

NOTICE

TO EQUIPMENT OWNERS, CONTRACTORS RENTAL COMPANIES ETC.

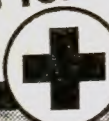

Letters will be received for inclusion on the mailing list to receive invitation bid contract tender forms and specifications for rental equipment required by the Ministry during the year 1973.

Letters must include an itemized list of equipment available for hire on which the supplier is interested in tendering and should be addressed to the District Engineer, Ministry of Transportation and Communications, Box 300, 64 Monck St., Bancroft, Ontario.

REAL ESTATE NEWS

Due to our expansion program H. Keith Ltd. Realtors requires aggressive people to act as District Representatives in various locations of Haliburton. Some of which are: Haliburton Village, West Guilford, Minden, Carnarvon, Gooderham, Tory Hill or their immediate areas.

WONDERFULL OPPORTUNITY

To represent one of the largest, well known and highly respected names in the Real Estate Field.

Our representatives are constantly supplied with excellent leads from our head office in Toronto, plus other sources: Also many company benefits.

Please contact Jack Huston, H. Keith Ltd. Realtors, Box 187, 158 Lindsay St. S., K9V 4S1, Lindsay or phone 324-9444. All inquiries confidential.

10th ANNUAL MEETING OF

LINDSAY PRESBYTERIAL

UNITED CHURCH WOMEN

Dr Norman McKenzie, associate sec't. Division of Mission Canada, was the guest speaker of the 10th annual meeting of the Lindsay Presbyterial United Church Women, held in Cambridge St. United Church on Jan. 24, 1973. He spoke on Evangelism and Key 73. We are entering a new era. Sometimes with the modern machinery we have today we forget the seed that has been planted and it is this seed that is the heart of the Christian Gospel. No matter where we go, no matter what the cultural background nor what the culture, the seed or the Good News is all the same. Some of the ways we can explain the Good News or the Christian seed is sharing with others in Bible study groups, personal testimony and helping wherever and whenever the need. We as Christian people have a great responsibility through Evangelism which is only one beggar telling another beggar where food may be found. He concluded his talk with these words, May God take our hands as we go out into exciting work both at home and around the world.

The morning session opened with Mrs. Gillis, Pres., in the chair. The worship service was taken by Rev. Lorne Dorsch basing his remarks on Luke 8, verse 4. Take each day as it comes, be humble, do not be proud and have compassion for World Outreach and Development to become God's people in God's day.

The minutes were dealt with and reports given by the treasurer and Literature sec't. Mrs. Thompson, Conference Pres., announced that the Conference Oshawa, April 24, 25. The study will be held in Kingsview Church for 1973-74 will be Mission Today, and a Seminar will be held at the United Nations N.Y. June 4-8. She conducted the election of officers and had a very impressive installation service.

Mrs. Freeborn very ably led in hymn sings both morning and afternoon. Mrs. Omemee, and some of the Presbyterial officers took part in a skit, End of Life's Road. These ladies passed through the gateway between heaven and earth and received a crown worthy of their work on earth. This revealed that there is a crown for us all be it plain or gilded with stars. The skit closed with the group singing "Will there be any stars in my crown."

ABOUT THE TOWN

with Jeanne Sears

Another American President died suddenly in the person of Lyndon B. Johnston and that nation mourned the loss of such a fine man and leader.

Just two residents at the Hyland Crest Senior Citizens Home had birthdays in January but belated good wishes go to Margaret Otto and Robert Schroter from all their friends.

We had a very attractive Carnival Queen, Sharon Hughes and princesses were Isobel Anderson and Carolyn Fleming with a nice group of the younger crowd competing in this Annual Contest.

Noticed in Consumer Reports how food costs have risen again. Even if you shop when specials are on, the essentials seem to cost more. In comparison with USA where there is some control on prices, ours are a little less but guess we must keep the money circulating.

At the Mini Card Party last Thursday afternoon at the Parish Hall winners were for cribbage, Mollie Locke, one point away from a perfect score and Cora Hewitt. For euchre Lydia Coulter, Johanne Beattie and May MacArthur.

Laurie Lee Miller, a member of Kawartha Lynettes of Peterborough was leader of this group in Saturdays parade and probably many remember her as she and her family were former residents. This group gave a fine display of their skill in the parade.

Congratulations to Maizie and Walter Austen on the arrival of their first grandson and son of Mr. and Mrs. Bob Ackerblade.

Sincere sympathy to the families and friends of the late Harold Paul, Lloyd Hackwell, and Mrs. Roy Howe who died since last week.

Another Winter Carnival, the 13th, is over but grand weather, though the snow was rather hard for snowmobiling. The helicopters were very busy both days with many seeing our village for the first time from the air. The Red Knights of Massey Fergusson gave displays of their skills with their machines at several times as well as informing us of some safety measures which should be used.

Four men were lucky over the weekend, when their machines ran into open water but they were able to get ashore though one was a non-swimmer. It is difficult when there is blue ice to tell this at night from open water. Be careful of this, as several persons lost their lives over the weekend in this same way.

A new contest at the IGA Stores in Ontario, this time based on horse racing, so check your cards on Mondays; they have a list at Dollos. Perhaps this time we will have a BIG WINNER.

All her friends send good wishes to Mrs. Bert McKelvey who is a patient at the local hospital. Hugh Austen had a fall and is presently suffering a broken ankle. Pleased to report Mrs. Wm. Cox is showing improvement and was still at the local hospital on Monday.

Cheerio until next week.

Chamber Highlights

from the desk of Marion Arntfield

Two bits of news to pass on to you this week. On the afternoon of January 12th I visited the new Ontario Trade and Travel Centre (145 King St. West at University). The Centre is on two floors, and if any of you have the opportunity of visiting it, by all means do. I had a most interesting talk with one of the gentlemen there, and as a result, we hope, before too long, to have our Highlands of Haliburton Tartan displayed — on the second floor where all the displays are. While in Toronto I stayed at the Westbury Hotel, and in the current issue of events, places to see, etc., I was pleased to note an article on the Trade and Travel Centre, and was particularly pleased to read in this article the following paragraph, "The Haliburton area is one of the most popular vacation spots. We supply routings and maps, talk about the excellent camping and hunting in our north country".

Last Wednesday I attended the meeting of the Central Ontario Co-ordinating Council in Peterborough, as always, it was an interesting meeting. Various topics were discussed, among

these topics was participation in the Columbus Show (Feb. 10th - 18th) and in the Sportsmen's Show in Toronto (March 16th - 25th). Along with the six other holiday areas, (Bay of Quinte, Great Pine Ridge, Highlands of Hastings, Kawartha Tourist Association, Land O' Lakes and Madawaska Valley) we shall be taking part in these shows. Thus news and information of the Highlands of Haliburton will reach many people and many areas, just one more thing your Chamber is doing for you on your behalf! The cost of attending these shows is putting a strain on our already tight budget, but we feel this is a "must" when it comes to promotion.

OUR PLAYERS

In our fair town of Minden
There is a hockey team,
They're called the Minden Pee Wees

The likes you've never seen.
Jim Shaw is their manager
I suppose he's mighty proud,
They're not the county's greatest
But they will be he has vowed.
The boys are coached by Larry Kent

He never lets them down,
And on the ice the boys are spurred

By defenceman David Brown.
He wears the Captain's sweater
And he gets them on the run,
He says they'll take the series
Before this year is done.

Porter and Hatkoski
Round out our great defence,
Not forgetting Harrison
With all his hockey sense.
He keeps the players hopping
With his own great style of play,

He is far the best live scene
In town for many a day.
A young man named Farnsworth

Patrols the Minden net
He is the greatest goalie
That I have ever met.
Tommy Gough, he centres
The first line of our team,
With Gerry and Brian Shaw
They really put on the steam.

Brian is our scorer
On this you can depend,
He picks the puck up in our zone
And goes from end to end.
Our second line is just as good
Of this you can be sure,
Paul McKenzie is at centre
With David A. and Coneybeare.

Now that's our little Pee Wee team

Come out and see them play,
Support your minor hockey
They'll be NHL some day.

What is family-size hot water?

It's *enough* hot water...enough hot water for all the baths, showers, dish washings, floor washings and laundries that it takes to keep your family and your home sparkling clean. Cascade will give you family-size hot water, because it's designed for the job.

The electrical industry put years of research into the Canadian family's hot water needs. Cascade was the result—built by qualified manufacturers to rigid specifications to assure you of dependability and complete satisfaction.

Get the Cascade with the capacity that's right for you and enjoy hot water *family-size*. Cascade, the clean, safe, efficient, electric water heater.

ICE FISHING

New Year's Day, opening day of Trout Season 1973, proved to be a disappointment for many anglers, not that the fish wouldn't co-operate but very poor ice conditions, snow and slush prevented many from getting to their favourite fishing spots. The anglers that did venture out a few feet from shore reported fair to good success.

If you plan on ice fishing in those parts of this District open to winter angling this year the following regulations apply:

All fish huts on Boshkung Lake, Twelve Mile Lake and Gull Lake must be registered. You may register huts free of charge, by contacting the Ministry of Natural Resources, in Minden.

All fish huts must be removed from the ice by March 31, 1973.

Limit of catch — Lake Trout three in one day. Brook Trout fifteen fish or ten lbs. plus one fish whichever is the lesser. Rainbow Trout five in one day. Whitefish and herring, no limit.

Possession limit shall not exceed one day's legal limit. Fish are considered to be in the possession of an angler whether they are on hand, in cold storage, in transit, or elsewhere.

The usual regulations pertaining to open water angling also apply when fishing through ice. In addition when angling through ice no person shall: (a) Angle with more than two lines. (b) Be more than 200 feet removed from any line with which he is angling. (c) Maintain other than a clear and unobstructed view of any line with which he is angling.

A fisherman may use a tip-up for ice fishing providing he remains in attendance on it.
